

“The Time Of The End” Part 10

Pastor Grant Williams September 9, 2015

Recap...

Last week we looked at the 4 horsemen in Revelation chapter 6. These 4 horsemen also kick off the judgements known as the “Seven Bowls, Seven Seals and Seven Trumpets”. We broke down the 4 colors: red, white, black and green not only in the bible but the Quran and what they represent in Islam.

The Palestinian flag is the only one with all 4 of these colors and that flag is in Jerusalem right now.

The bible said that in the beginning of the last 42 months of the tribulation that the antichrist and the beast system would destroy Rome Italy and the apostate christianity. He will also destroy mystery babylon (the controlling governmental system) at that time as well.

He will then lead the 10 nations into Israel and take over Jerusalem for 42 months.

Daniel 11:45 Amplified Bible (AMP)

45 And he shall pitch his palatial tents between the seas and the glorious holy Mount [Zion]; yet he shall come to his end with none to help him.

Daniel 11:45 King James Version (KJV)

45 And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

Note: The “beast” mentioned in the bible is a one world government and one world religion that is lead by the antichrist and the false prophet. In Islam, a one world government and religion is called a caliphate which is represented by the black flags.

We looked at the mark of the beast as well which the bible speaks of in Revelation chapter 13.

Revelation 13:16-18 Amplified Bible (AMP)

*16 Also he compels all [alike], both small and great, both the rich and the poor, both free and slave, to be marked with an inscription [stamped] on their right hands or on their foreheads,
17 So that no one will have power to buy or sell unless he bears the stamp (mark, inscription), [that is] the name of the beast or the number of his name.*

18 Here is [room for] discernment [a call for the wisdom of interpretation]. Let anyone who has intelligence (penetration and insight enough) calculate the number (symbol) of the beast, for it is a human number (symbol)[the number of a certain man]; his number is 666.

Revelation 13:16-18 King James Version (KJV)

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

18 Here is wisdom. Let him that hath understanding count the number (symbol) of the beast: for it is the number of a man; and his number (symbol) is Six hundred threescore and six.

Remember, this is the false prophet and antichrist teaming up together (the system of the beast) to initiate a mark to control all buying and selling.

The antichrist, I believe based on the study of God's Word, will be Muslim. The false prophet will probably be a defective Pontiff Pope.

(The false prophet will be the lamb with 2 horns. One represents Christianity but it's not real Christianity - it will be an apostate Christianity).

3 reasons why they will control the buying and selling:

1. Famines and drought - limited food supply

Revelation 18:8 King James Version (KJV)

8 Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.

Revelation 18:8 Amplified Bible (AMP)

8 So shall her plagues (afflictions, calamities) come thick upon her in a single day, pestilence and anguish and sorrow and famine; and she shall be utterly consumed (burned up with fire), for mighty is the Lord God Who judges her.

2. Rationing - by controlling or rationing the food they will be able to have power over the nations. Food will be rationed during this time.

Revelation 6:5-6 King James Version (KJV)

5 And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand.

6 And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.

Revelation 6:5-6 Amplified Bible (AMP)

5 When He broke open the third seal, I heard the third living creature call out, Come and look! And I saw, and behold, a black horse, and in his hand the rider had a pair of scales (a balance).

6 And I heard what seemed to be a voice from the midst of the four living creatures, saying, A quart of wheat for a denarius [a whole day's wages], and three quarts of barley for a denarius; but do not harm the oil and the wine!

3. Control food in exchange for conversion to religion

Revelation 13:16-18 King James Version (KJV)

16 And he (false prophet) causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

18 Here is wisdom. Let him that hath understanding count the number (symbol) of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

Revelation 13:16-18 Amplified Bible (AMP)

16 Also he compels all [alike], both small and great, both the rich and the poor, both free and slave, to be marked with an inscription [stamped] on their right hands or on their foreheads,

17 So that no one will have power to buy or sell unless he bears the stamp (mark, inscription), [that is] the name of the beast or the number of his name.

18 Here is [room for] discernment [a call for the wisdom of interpretation]. Let anyone who has intelligence (penetration and insight enough) calculate the number (symbol) of the beast, for it is a human number [the number of a certain man]; his number is 666.

The reason people are beheaded in the Tribulation is they will not worship the image or worship the beast (the system of religion and economics).

Basically, they will not follow his religion/government or caliphate (beast). The only religion in the world that will behead you for not following them is Islam. They do it all the time and they have done this since the time of Muhammad.

The mark or chip (RFID) that the bible speaks of is planning to be implemented by the UN in 2017-2018. The bible is very clear that no man knows the day or the hour of Jesus return but God said you will know the season because of all the “Signs” of ten “Time of The End”. This time table can always change...

As for knowing the season of Jesus return, one of the “things” we can watch to know the season is: Our current Vice President Joe Biden, who was a senator had an exchange with current Supreme Court Justice Roberts during his nomination hearings in 2005, asking him when the day comes when the RFID chips have to be inserted in the physical body of individuals, how will you rule?

“Because when, not if, when you become supreme court judge you will have to make that decision.” During this video clip Vice President Joe Biden is not asking can an RFID chip be produced to go into a body, but legally can it go into the body and how will you respond.

This current administration has told the Unions in the United States of America that they would not have to worry about this (chip) and the cost until 2017.

This mark or chip in Revelation 13:18 represents an apostate christianity, islamic government and you will be a slave to it or agree with it in order to buy or sell.

We looked at the bible taken from a cloth Third Century Egyptian manuscript from 350 A.D. showing the 3 Greek characters. Chi, Xi and Stigma. It never said 666, what they did was take the letters and assign a number to them. (See next page)

Codex Vaticanus - A.D. 350

ΧΞϞ

CHI Xχ = 600

XI Ξξ = 60 THREESCORE-KJV 666

STIGMA Ϛς = 6

RidingTheBeast.com

First, there is the “chi” up top which value is 600.

Secondly, “xi” (pronounced zi) shown in the middle has a value of 60.

Then thirdly, at the end is “stigma” with the value of 6. Now this letter no longer exists in modern Greek but the mark of stigma or “6” you see here was put on the head of slaves and soldiers during the Roman Empire.

The x or chi stands for Christos or apostate christianity.

The symbol for xi is the same as that for allah in arabic.

The symbol representing stigma means slave.

So, we could then say “calculate the number/symbol of the beast for it shall be in the name of Allah”.

Revelation 11:2 King James Version (KJV)

2 But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles: and the holy city shall they tread under foot forty and two months.

Revelation 11:2 Amplified Bible (AMP)

2 But leave out of your measuring the court outside the sanctuary of God; omit that, for it is given over to the Gentiles (the nations), and they will trample the holy city underfoot for 42 months (three and one-half years).

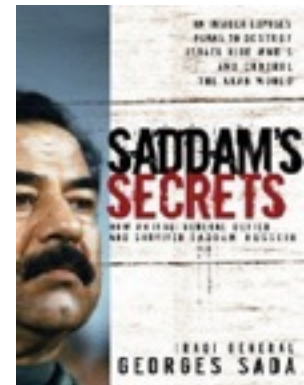

ISIS is taking over borders and trying to remove the border lines from Syria and Iraq for this new caliphate. This will be the reforming of the old Babylonian empire.

When President George W. Bush went to Iraq to fight the war, we did it because of weapons of mass destruction. We give Iraq months of notice and when we get there we don't find as many right away as the intelligence community thought we would find.

As a result, President Bush along with the administration and others were criticized for starting the war for all types of ulterior motives. However, former ***Iraqi General, George Sada*** and many other military people from the middle east along with satellite images from these countries show these weapons moving into Syria. They were sealed off in caves and underground into military bases in barrels.

In his book “Saddams Secrets” The man who served as the no. 2 official in Saddam Hussein's air force (General Sada) says Iraq moved weapons of mass destruction into Syria before the war by loading the weapons into civilian aircraft in which the passenger seats were removed.

General Sada, said that the pilots of the two airliners that transported the weapons of mass destruction to Syria from Iraq approached him in the middle of 2004, after Saddam was captured by American troops.

"I know them very well. They are very good friends of mine. We trust each other. We are friends as pilots," Mr. Sada said of the two pilots. He declined to disclose their names, saying they are concerned for their safety. But he said they are now employed by other airlines outside Iraq.

The pilots told General Sada that two Iraqi Airways Boeings were converted to cargo planes by removing the seats, General Sada said. Then Special Republican Guard brigades loaded materials onto the planes, he said, including "yellow barrels with skull and crossbones on each barrel." The pilots said there was also a ground convoy of trucks.

The flights - 56 in total, General Sada said - attracted little notice because they were thought to be civilian flights providing relief from Iraq to Syria, which had suffered a flood after a dam collapse in June of 2002.

"Saddam realized, this time, the Americans are coming," General Sada said. "They handed over the weapons of mass destruction to the Syrians."

The secular media hated President Bush so much that they are not going to tell you that.

They also didn't tell you this, that when ISIS took over a weapons chemical facility/complex named Al-Muthanna in Iraq, this complex made several different types of chemical gas. Some of those gasses were: mustard gas, sarin gas and vx nerve gas.

Inside of this facility were canisters (remember, we were told that nothing existed, nothing was found) and there was iron doors put around this complex (one of many).

The reports came out that the military was not guarding this or said nothing because they didn't want someone to bomb this complex and release this gas. So now that we (US troops) are gone, ISIS is taking and using all of these weapons that were were told did not exist.

I think that President Bush is owed and deserves an apology. From the current administration to everyone who knows the truth but still say there was nothing there to keep the lie going. The fact is they did not want the weapons to be found so they said nothing about it.

If you look at this next verse I want you to see a different perspective possibility. I always want to stay in the Word and know what it saying. I will point out when it is something that is interesting or *could* it mean this.

Revelation 13:1-2 King James Version (KJV)

13 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

Revelation 13:1-2 Amplified Bible (AMP)

13 [As] I stood on the sandy beach, I saw a beast coming up out of the sea with ten horns and seven heads. On his horns he had ten royal crowns (diadems) and blasphemous titles (names) on his heads.

2 And the beast that I saw resembled a leopard, but his feet were like those of a bear and his mouth was like that of a lion. And to him the dragon gave his [own] might and power and his [own] throne and great dominion.

3 And one of his heads seemed to have a deadly wound. But his death stroke was healed; and the whole earth went after the beast in amazement and admiration.

4 They fell down and paid homage to the dragon, because he had bestowed on the beast all his dominion and authority; they also praised and worshiped the beast, exclaiming, Who is a match for the beast, and, Who can make war against him?

The sea in the book of Daniel chapter 7 is the great sea or the Mediterranean sea. So, this beast rises up out of or around the Mediterranean sea area.

The bible says in verse 3 that one of the heads was wounded to death, it is speaking of one of the 7 heads. It didn't say the horns it said the heads.

So represented here you have: Egypt, Assyria, Babylon, Meade Persia, Greece and Rome. Then we have the seventh empire rising up at the end of days - which is your seven heads.

The bible says that the antichrist comes out of one of the seven heads in Revelation 17:11. But it also says that one of the heads of this beast was dead and now is healed.

I've taught that Babylon is the only prophetic empire that is on that beast that is dead - which is just the area of Iraq. Greece exists, The Persians/Iranians exist. The Egyptians exist. The Syrians exist. But Babylon does not exist, it's just the country of Iraq.

What we've been going through is a man will rise up and unite the old Babylonian empire. So that is the interpretation of the head that was dead and the world wonders who will reunite old Babylonian area or empire...this is ISIS. ISIS is trying to reunite the area of Iran, Syria, Iraq and Lebanon.

Several weeks ago we touched on this, that this head is an area or nation and not a specific man. It is a caliphate nation or caliphate region that the United Nations or the United States thinks we have stopped it or stopped that leader but it keeps coming back.

Now when Bin Laden was shot in the head, they wrapped up his body and threw it into the sea. Everyone said that Al-Qaeda was defeated. But that wound is healed, Al-Qaeda is rising along with ISIS and several other Islamic radicalized organizations. Al-Qaeda has knocked out the entire power grid in Yemen with missiles.

They are going after the power plants and water supplies not just in Yemen but every where including the United States.

So, this beast or caliphate that we thought or the government thought was dead and defeated is not. They are coming back and the current administration does not know what to do to stop it. If our government, the current administration or the one to come does not fight certain elements of this, there is great danger coming to the United States. This is a war of good vs evil, Christ vs the anti christ.

The longer we wait, we will not be retaliating against a nation but individuals. I believe it has gotten to the point where there is an entire army that is everywhere, it is not limited to a nation any more. It is impossible to take out an army that is scattered everywhere without killing innocent people.

But, I do believe that it is Gods will that things have gone the way they are happening because it fulfills His Word, His prophecies. You and I have to chose what is right in the midst of Gods plan but His Word and His promises will still be true and in His timing.

Now I want to share something with you from the book of Isaiah in chapter 17.

Isaiah 17:1, 3 King James Version (KJV)

1 The burden of Damascus. Behold, Damascus is taken away from being a city, and it shall be a ruinous heap.

3 The fortress also shall cease from Ephraim, and the kingdom from Damascus, and the remnant of Syria: they shall be as the glory of the children of Israel, saith the Lord of hosts.

Isaiah 17:1-3 Amplified Bible (AMP)

1 The mournful, inspired prediction (a burden to be lifted up) concerning Damascus [capital of Syria, and Israel's bulwark against Assyria]. Behold, Damascus will cease to be a city and will become a heap of ruins.

3 His bulwark [Syria] and the fortress shall disappear from Ephraim, and the kingdom from Damascus; and the remnant of Syria will be like the [departed] glory of the children of Israel [her ally], says the Lord of hosts.

I'm not going to try and predict what is going to bring about the destruction of Damascus. But, if these rebels end up taking over Damascus and try to do anything: chemically, biologically or nuclear etc to Israel, Israel will take care of it.

We will go back to this passage in a couple of weeks but I want to go to Persia....

In the prophecy of Ezekiel Chapters 38 and 39, the islamic coalition attacks Israel in two places. The "valley of the passengers" on the east of the sea, which is at the edge of the country of Jordan. It's across from Jericho on the dead sea side.

Ezekiel 39:11 King James Version (KJV)

11 And it shall come to pass in that day, that I will give unto Gog a place there of graves in Israel, the valley of the passengers on the east of the sea:

Then the bible says they come after them in Bishon which is the Golan Heights (this is part of the Levent geographic region), which is at the border of Syria and Lebanon. These 2 areas is where the war is going to take place.

Ezekiel 39:18 King James Version (KJV)

18 Ye shall eat the flesh of the mighty, and drink the blood of the princes of the earth, of rams, of lambs, and of goats, of bullocks, all of them fatlings of Bashan.

This shows me a couple of things:

First, these radical organizations have to get strong in these 2 border areas. They have to build up before this war can take place.

Secondly, the head of Iraq does not want to step down, but at some point he will be forced to do so. He is a shia and the shias are strong from Baghdad to south all the way to Iran which is the country of Persia.

In order to fight these radical Al-Qaeda groups that are multiplying every day by the thousands, Persia or Iran has to unite with the shias and fight them.

When we look at Ezekiel chapter 38 and 39 which is not yet happened, and we see that Persia is leading the way...we know that Persia or Iran has to come out on top.

End: We will pick this up next week from...
